

Welcome to The Manor House,

The best part of working at The Manor is planning, and running, a wedding. A wedding is a joyous occasion, and all of the team look forward to each and every wedding day.

To help you plan your very special day, we have put together three packages, alongside an individually price menu

Please note that these packages are only a guideline, and can be amended to meet your individual requirements. If there is anything you would like to add or remove, we can price accordingly.

We have a wide range of menus and wines that we can adapt, and within the wedding information, we also have a list of extras that can be added to any package.

Should you wish to arrange a no-obligation appointment with our Wedding Co-Ordinators, or a show round of The Manor House, then please do contact us on 01388 834 834, or by email to angie@manorhousehotel.net

With Kind Regards
